The Koori Centre has a small budget to provide Indigenous Australian students, enrolled at the University, with financial assistance to attend conferences, workshops or seminars. The aim of this assistance is to give students the opportunity to broaden their knowledge and expertise in their chosen discipline.

- Priority will be given to students who present a paper/poster/workshop etc.
- Conferences must relate directly to a student’s area of study.
- Funding assistance is limited to \$2,000.
- All successful applicants will be required to submit a one-page written report to the Koori Centre on their return from the conference.
- To ensure a fair and equitable distribution of funds, a student will only be granted assistance once each year.
